

COMMUNITY SERVICE HOURS REPORT FORM

MHCS encourages families to be involved in our community by serving others ([handbook pg. 11](#)). Students are required to complete 10 hours per semester "outside the church walls". In other words, teaching Sunday school isn't what we're looking for...it's not about serving the church, it's about serving outside the church. Check with your church - many have outreach opportunities available! Getting involved with your local church should be your first choice! If you have any questions, please let us know! This form is due by the end of the semester. Thank you.
